

**UPPER VALLEY
FLYING CLUB**

COVID-19 PROCEDURES and CERTIFICATION

Please print, read and fill out this form for *each flight undertaken*. Drop forms off in the 182 Hangar next to logbooks, or with your instructor.

- Wash hands before and after every flight.
 - Wear a cloth mask while in the presence of others and in the cockpit to minimize droplet contamination of surfaces and cockpit air from breathing, talking, coughing and sneezing.
 - Before and after every flight wipe down knobs, buttons, yokes and any other touched surfaces with sanitary wipes.
 - Avoid touching face, mouth or nose. Minimize mask adjustment as much as possible.
 - Maintain six feet minimum distance between you and other people when not in aircraft.
 - May-October Only: If a later flight is scheduled, tie the aircraft down outside. If no later flight, hangar the aircraft. If in doubt, contact the pilot of the following flight to confirm their intentions so the aircraft does not get left out unnecessarily.
